CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

Issued To:

YUHUAN KANGYU COPPER CO., LTD.

ZHONGSHAN INDUSTRIAL PARK CHUMEN TOWN, YUHUAN, CHINA

Product:

Plumbing Fixture Waste Fittings

Products are in compliance with the following code(s):

**Uniform Plumbing Code (UPC®)
National Plumbing Code of Canada**

Products are in compliance with the following standard(s)

ASME A112.18.2-2020/CSA B125.2-20

File Number: 5716

Effective Date: November 2019

Void After: November 2024*

Chairman, Product Certification Committee

Chief Technical Service Officer

*This certificate is not evidence of current listing. To verify listing status, visit the IAPMO R&T Product Listing Directory at pld.iapmo.org

This listing period is based upon the last date of the month indicated on the Effective Date and Void After Date shown above. Any change in material, manufacturing process, marking or design without having first obtained the approval of the Product Certification Committee, or any evidence of non-compliance with applicable codes and standards or of inferior workmanship, may be deemed sufficient cause for revocation of this listing. Production of or reference to this form for advertising purposes may be made only by specific written permission of IAPMO Research and Testing, Inc. Any alteration of this certificate could be grounds for revocation of the listing. This document shall be reproduced in its entirety.

IAPMO RESEARCH AND TESTING, INC.

CERTIFICATE OF LISTING

Issued To: YUHUAN KANGYU COPPER CO., LTD.

Effective Date: November 2019

File Number: 5716

Product: Plumbing Fixture Waste Fittings

Void After: November 2024

This certificate is not evidence of current listing. To verify listing status, visit the IAPMO R&T Product Listing Directory at pld.iapmo.org

Identification:

Products shall be permanently and legibly marked with the manufacturers recognized name, trademark, or other mark; or, in the case of private labeling, the name, trademark, or other mark of the customer for whom the fitting was manufactured.

The marking shall be accomplished by use of a permanent mark or by placing a permanent label on the product.

Marking shall be visible after installation.

Packages shall be marked with the manufacturers recognized name, trademark, or other mark as well as the model number or, in the case of private labeling, the name, trademark, or other mark of the customer for whom the fitting was manufactured as well as the model number.

Product shall also bear the cUPC® certification mark.

Characteristics:

Plumbing fixture waste fittings to be installed with other IAPMO R&T listed fittings and fixtures in accordance with the manufacturer's installation instructions and the requirements of the latest edition of the Uniform Plumbing Code.

Products listed on this certificate have been tested by an IAPMO R&T recognized laboratory. This recognition has been granted based upon the laboratory's compliance to the applicable requirements of ISO/IEC 17025.
